“Sheet A”

(a continuation sheet for PTOL-413A) for serial no. 09/904,975.

If possible, I would like to schedule an interview for April 15<sup>th</sup>, 2009, at 11:00 a.m. This would allow me to coordinate this with another interview I have tentatively scheduled for April 15, 2009 at 10:00 a.m. with another Examiner for a different patent application.

As we discussed in our April 6, 2009 telephone conference, the reason for this request is two-fold. First, my wife and I are taking our two children to Washington, D.C. for a family vacation from April 14<sup>th</sup> through 17<sup>th</sup>, 2009. More substantively, I thought it would be an opportunity to demonstrate a prototype in person. Despite the fact that we previously demonstrated prototypes in a video-conference, I have some hope that allowing you to see, handle, and manipulate the prototype may better communicate to you both (a) the inventive concepts that we are seeking to patent, and (b) the differences between the invention and the prior art upon which your rejections have been based.

Pursuant to your request yesterday, we intend to forward this form to you today via EFS (electronically).

If you have another preferred time/date between April 15<sup>th</sup> thru April 17<sup>th</sup>, 2009, please let me know.

Best regards,

/J. Mark Holland/
